The PDT Europe Symposium

PDT Europe is an annual event held in a different European country each year. This year the symposium intends to explore how to bring the pieces together when it comes to PLM strategy and implementation. Since the conclusion of the PDTAG project, the continuity of this highly successful European event was maintained by QMS, UK. From 2004 and onwards Eurostep has taken on the responsibility of arranging the symposium and will continue to provide an opportunity for business, industrial, and scientific communities to meet and exchange ideas. PDT Europe is the place to report, monitor, and discuss the increasingly rapid progress made within PDT and PLM. It covers the full spectrum from R&D all the way to industrial and commercial applications. PDT Europe – from theory to tangible business benefits and reality.

This year's programme

This year's special theme is - Bringing the pieces together!

There will be highly interactive workshops where we will have open discussions and create good value together. The workshops will discuss obstacles for the success of PLM deployment and what we would like to see happen within the PLM market, and will be facilitated by experienced personnel. And don't miss the very informative Monday morning tutorials!

Who should attend?

PDT Europe is for managers, decision makers, implementers, developers, project engineers, scientists and all who are involved in developing and introducing technologies such as concurrent engineering, STEP, BPR, EDI, AIM, CPC, PLM, extended enterprise, data warehousing, configuration management, virtual offices, knowledge management, and other product data-dependent business innovations. PDT Europe 2006 is expected to attract 150 delegates from major engineering business sectors of Aerospace, Automotive, Building and Construction, Automotive, Defence, Telecom, Ship Building, Power Generation, Pharmaceutical, Process & Plant Engineering and Manufacturing as well as from Research and Academia!

Conference Fees

The conference fee includes lunches, refreshments and the conference proceedings.

Business delegate	995 EUR
Early Bird registration (before Sept 4th)	840 EUR
Academic delegate	620 EUR
Airbus Tour on Monday afternoon	20 EUR
Social event on Monday evening	free of charge
Social event on Tuesday evening	85 EUR

To register, please go to www.pdteurope.com where payments by credit card are accepted. If you do not have access to a web interface, please contact us and we will assist you. The organiser reserves the right to make changes to the programme if necessary. VAT will be added to Swedish registrations and non-EC countries. All others within the European Union need to state VAT number.

Social Events

The PDT Europe social events on Monday and Tuesday evenings are intended for all to meet informally for networking and new contacts. All delegates, speakers, partners and guests are welcome. Social events include food and wine or non-alcoholic beverages, as well as transport where relevant.

PDT Europe 2006
This event is organised by Eurostep in cooperation with CIMdata and Pathway Guidance and sponsored by UGS

eurostep

Monday - Airbus Tour & welcome reception

On Monday afternoon we will go to Airbus for a tour of the A380. Don't miss this opportunity to see the world's biggest plane being assembled! This activity costs 20 EUR.

The welcome reception is a gathering and mingle that takes place in the exhibition area. We will serve a light finger buffet and beverages. This activity is free of charge! The welcome reception is sponsored by Microsoft.

Tuesday - the PDT Europe conference dinner!

We are looking forward to a fabulous evening - You don't want to miss the traditional PDT Europe Dinner! This year we are aiming to have a wine-tasting session with dinner afterwards. This social activity costs 85 EUR and includes food and beverages.

Venue Location and Facilities

PDT Europe 2006 is located at the Hotel Mercure Saint Georges in Toulouse, France. Toulouse is the historic capitol of the Languedoc situated by the river Garonne and Canal du Midi. Toulouse is known as 'La Ville Rose' due to the warm, pink brick used in many of the buildings in the centre of the city. The Vieux Quartier is particularly charming with its narrow alleyways, cafes, oyster bars and squares such as Place Capitole.

Hotel Rooms

Hotel rooms are pre-booked with a special conference price at your convenience at the Hotel Mercure Saint Georges. Our recommendation is to book a room as soon as possible. You will find more information on how to make sure you get a special priced room on the web page, www.pdteurope.com.

Programme Committee

- Alfred Katzenbach, DaimlerChrysler AG, Germany
- Frédéric Féru, EADS, France
- Håkan Kårdén, Eurostep, Sweden
- Uwe Weissflog, Pathway Guidance Europe, Germany
- Josef Wiesinger, Confederation of Industri & Transp, Czech Republic
- Ed Miller, CIMdata, USA
- José Barata, UNINOVA, Portugal
- Howard Mason, BAE SYSTEMS plc, UK

Conference Management

- Anna-Karin Bedeus, Proj Mgr Eurostep, Sweden

Day 1 Monday, October 16th 2006

Tutorials

09.15 What is PLM?
What is included and what is excluded?
Led by Ed Miller, CIMdata

What is PLCS (Product Lifecycle Support/STEP AP239)
- An overview & update
Led by Nigel Shaw, Eurostep

10.30

11.00 Innovation And Lifecycle Management - Friend Or Foe??
Led by Uwe Weissflog, Pathway Guidance

Implementing PLM with standards like STEP/PLCS and WebServices. Including a demonstration of systems in production at Volvo.
Led by Jonas Rosén, Eurostep, Per Brorson, Eurostep, Anders Konradsson, Volvo Penta

11.45

Lunch

Opening Session Day 1

13.00 Opening of the PDT Europe 2006 Symposium
Welcome by the organisers: Eurostep, Pathway Guidance, CIMdata

Key Note Speakers

13.15 PLM - Market trends
Ed Miller, President CIMdata, USA

13.45 Technology Trends in Manufacturing and PLM
Günter Rester, Director Manufacturing Industries, Microsoft EMEA, Germany

14.00 The Vivace Project - An Overview
Philippe Homsy, Vivace Project Leader, France

14.30 Break

Socializing

14.45 Departure to Airbus Tour Bus 1

15.45 Departure to Airbus Tour Bus 2

16.15 Airbus Tour Bus 1

16.15 Airbus Tour Bus 2

19.00 Welcome reception at the Hotel, Sponsored by Microsoft

Day 2 Tuesday, October 17th 2006

Plenary Session

08.45 Opening Day 2
Morning News

09.00 EDM: Engineering Data Management
Frédéric Féru, EADS, France

09.30 Supplier Involvement in Product Development as a Business and IT Driver
Trond Zimmerman & David Bourbonnais, Volvo Information Technology, Sweden

10.00 Maturity Levels . Opportunities and Consequences for CM & PLM
Johan Ranby, FMV, Sweden & Torbjörn Holm, Eurostep, Sweden

10.30 Break

Workshop 1

11.00 Workshop Introduction
Uwe Weissflog, Pathway Guidance, Germany

11.15 Workshop 1
Facilitated by Uwe Weissflog, Pathway Guidance, Germany

12.30

Lunch Sponsored by Microsoft

Track 1 Business and Processes

14.00 Evaluate & Provide a Roadmap to raise the Cultural & Social Acceptability Level for PLM Implementation
Pooja Taskar & Deepti Kolte, Tata Consultancy Services, India

14.30 Protecting a Company's Intellectual Property in the Extended Enterprise
Mathias Zagel, Agile Software, Germany

15.00 Efficient Support of Engineering in Partner Networks
Peter Lönz, Gedas, Germany

15.30 Break

16.00 Sharing Data and tools in distributed multi-disciplinary design of civil aircraft wings
Jos Vankan, NLR, Netherlands

16.30 Automatic workflows with Shared Configuration Management in the Virtual Enterprise Collaboration Hub
*Staffan Söderberg, Eurostep, Sweden
Holger Wenzel, Engineous, Germany*

17.00

18.00 PDT Europe 2006 Dinner

Track 2 Technologies and Methods

Service Oriented Architecture - Developing Applications for Automotive & Aerospace Industry
Dr. Yasmina Bock, Avation GmbH, Germany

Experience of PLM Implementation in the Defence Industry
Ulf Carlsson, Syntell, Sweden

CERN EDMS - The PLM Platform for the LHC, the largest scientific machine ever built by man
Stephan Petit, CERN, Switzerland

Workshop from the morning continued including preparations for presentation Day 3
Facilitated by Uwe Weissflog, Pathway Guidance, Germany

Day 3 Wednesday, October 18th 2006

Plenary Session

08.45 Opening Day 3
Morning News

09.00 Result of Workshop from Day 2

09.30 Case Study - Business Development using PLCS as enabling Technology at BAE Systems Hägglunds
Peter Nygren, Head of Staff Product Support, BAE Systems, Hägglunds, Sweden

Workshop 2

10.00 Workshop 2
Connected to Case Study
Facilitated by Uwe Weissflog, Pathway Guidance, Germany

Break during Workshop

11.30 Presentations of workshop 2 results
Facilitated by Uwe Weissflog, Pathway Guidance, Germany

12.00

Lunch Sponsored by Microsoft

13.00 Standards for PLM, Information Models, Ontology from a US Perspective
Mr. Rachuri Sudarsan, NIST, USA

13.30 Information Quality Management - Information as a Strategic Resource
Boye Trantum, Head of Serton & Jarl S. Magnusson, Senior Executive Business Development, DNV IQM

Workshop 3

13.45 Reflections - What did we learn at PDT Europe 2006?

14.45 Closing session - summing up of the conference
Conference organisers

15.00 End of PDT Europe 2006
